

## Mission and Outreach Volunteer Survey

The Mission and Outreach Committee would like to ask each member or friend of the church to fill out a volunteer survey. We want you to share with us your volunteer experiences. Have you been volunteering at the hospital or library? Have you worked on a Habitat for Humanity project? Are you a Boy Scout/Girl Scout Leader? Have you been on a mission trip? What positions do you serve in the church? Are you on the Board of Directors for a non-profit organization? Think about your gifts and how you have shared them. This could be current activity or in the recent past. We would like to highlight our wonderful volunteers and facilitate networking. If we do not reach you with a form please find extras at the Visitor Center. Any questions ask Nancy May.
